Dear Patients,

It has been my absolute privilege and honor to serve our community for the past 18 years as a psychiatrist. I have watched many families in the area grow and have shared heartache and joy. I have had the privilege of meeting a great many patients and developing lifelong friendships with many of you. But now it is time for me to retire. I appreciate your loyalty throughout the years and will take the memories of all that I have experienced with me into my retirement. There is no doubt that I will miss doing what I have enjoyed doing for so many years. It is with mixed emotions that I announce my retirement from active practice, **effective of May 31, 2023**.
